

Sheila Evans joined Pam's beginner's class in 2011 hoping to learn to use watercolours in her painting. Fortunately Pam's classes covered a whole variety of mediums and subjects opening up many new exciting creative paths.

Having always had a love of drawing, Sheila really enjoyed the new challenges introduced and during the first year found that water based oil paints suit her way of painting as do pastels and pencil crayons.

The challenge of watercolours was not forgotten and she enjoyed trying again and completing several watercolour paintings.

Sheila's favourite subjects to paint or draw are animals and flowers using photographs, some taken in her Alvechurch garden or on her travels abroad
