

2016 EXHIBITION

David Hockney style paintings were on display at our 5th exhibition in 2016, as part of a competition set up by Kamal Khan and his fellow director at nearby Grosvenor House Nursing Home. The competition, to produce large canvases in the style of David Hockney, was an idea by one of the home's residents who is a fan of the artist.

Some of the entries are shown opposite...

Picture above shows (l to r) Alison Hendrix with her short listed entry, Jackie Lee with her winning painting, MP Sajid Javid, who presented the prizes, Chris Wheatley with her painting (runner up), Kamal Khan, Clive Lee and Kamal's fellow director, Munawar Sandhu.
